Academy Community Partner

By becoming a Darfur United Academy Community Partner, you will be part of a legacy that brings sports programs and trauma relief to hundreds of thousands of refugees living in camps. You will also help connect the world to the personal stories of Darfuris and focus attention on the large-scale humanitarian efforts essential to their protection.

The Darfur United Soccer Academy will offer a safe place for children and youth to gather and participate in a healthy and enriching activity that teaches lessons that apply on and off the field. Play is recognized as one of the best forms of therapy. Offering the opportunity and means to participate in a positive, organized, and sustained activity can have a huge impact on individuals and the entire community. **Join us!**
