

# Sponsor a Sister Club!

## A Movement for Hope

The Darfur United Soccer Academy (DUSA) is a place for refugee children in eastern Chad to learn about teamwork, leadership, and peacebuilding, all while improving soccer skills. It offers these children, whose families have experienced extreme violence, a safe space to play, heal, and be empowered.

## How It Works

A full-year's sponsorship of one DUSA child is only \$10, and the impact of one soccer academy is far-reaching: one DUSA provides a safe environment for children in an entire refugee camp to play, learn soccer, and thrive.

***Include the \$10 sponsorship of a DUSA player as part of your club's annual dues. Each player that registers with your club offers a refugee child the same opportunity and benefits that come from being a part of a comprehensive soccer program.***

## What Your Club Receives

- Your club's banner displayed at your sister DUSA
- The gift of a DUSA banner for your club
- Credit on our websites
- Regular updates and stories from your sister DUSA and its children
- Multimedia messages from DUSA players
- Memorabilia from the Darfur United international soccer team
- Access to impacting the global community through soccer

Since 2005, iACT has been visiting refugee camps on the Chad-Sudan border and partnering with Darfuri refugees to implement sports and education programs. The first Darfur United Soccer Academy opened in 2013, and the goal is to have a DUSA in each of the twelve Darfuri refugee camps.

We would love the privilege to come and present to your Board of Directors or club representatives and give more detailed information on the DUSA program and on iACT. To schedule a visit from us, or for more information on sponsoring a sister club, please contact Katie-Jay Scott at [KTJ@iactivism.org](mailto:KTJ@iactivism.org).
